

The Team

David Lawrence Brown, AIA

Co-Founder

David is renowned as one of the preeminent architects and developers in northern New Jersey. He is considered by his peers to be a master of all building crafts. He brings a wealth of experience not only with architecture and building but also putting together an HVAC plan for his structures. David will focus on design and ongoing R&D efforts.

Dr. Isaac Ray

Co-Founder

Dr. Ray received his Ph.D in mechanical engineering in 1965 in the former Soviet Union and has been working in the U.S. since 1975. He has amassed many accolades and awards in his field over the years. Just to mention a couple: he was honored with an Engineering Excellence award Nomination from DuPont Engineering and Valor award in Environmental field from Chemical Processing Magazine. He has 27 publications and patents to his name. Dr. Ray specializes in Electrostatic and Magnetic aspects of Aerosol Physics and its applications to APC equipment design. His role with the company will be a technical one, concentrating on development and R&D of the LVHVAC technology.

Igor Beyder

Co-Founder

Igor has extensive experience in the real estate industry. Over the last 15 years he has been involved with managing a private REIT along with also owning and operating a mortgage bank. Igor

Kevin Nystrom

Consultant

Kevin Nystrom is a managing director at Zolfo Cooper with more than 20 years of experience in financial management. He has held numerous management positions and advised companies, boards of directors, investor groups and lenders in a wide range of businesses. His operational experience covers numerous industries including manufacturing, distribution, financial services, professional services and real estate. Kevin's focus is on business development and strategy.
